## **Workforce Challenges and Opportunities**

**Senator Joann Ginal, Senator Larry Crowder, and Representative Mary Young invite you to join us.**

**Wednesday March 11, 2020      7:30 - 8:30 am**  
**Colorado State Capitol - Senate Committee Room 352**  
**Call-In: 605-472-5561    PIN: 507406**

We will be hearing about research and best-practices related to older Coloradans in the workforce. By 2030, more than one in four working Coloradans will be aged 55+.

Recruiting and retaining older workers supports retirement security, sustains our strong economy for years to come, and supports intergenerational workplaces. Join us to learn more about how our demographic changes will alter the workforce for decades to come and how we can adapt to this new normal.
