Fare Assistance

RTD, DRMAC and Denver Human Services invite Denver Metro residents to visit Colorado PEAK to apply for LiVE: RTD's new income-based fare discount program. LiVE provides a 40% fare discount for RTD's fixed route bus/rail services to individuals and families (ages 20-64) with limited incomes living in the RTD service area.

This means a monthly gross household/family as follows, based on the number of household members:

- \$1,967 (for 1 family member)
- \$2,658 (for 2 family members)
- \$3,349 (for 3 family members)
- \$4,039 (for 4 family members)
- \$4,730 (for 5 family members)
- \$5,421 (for 6 family members)

For example, a local RTD fare valued at \$3.00 would be discounted to \$1.80. For more information visit Colorado Peak or the RTD LiVE or call 720-944-4347.

RTD also offers other discounts for older adults, youth, and people with disabilities. Older adults (age 65+), people with disabilities, and Medicare recipients receive a 50% fare discount. Youth (ages 6-19) receive a 70% fare discount. Children ages 5 and younger ride free with a paying adult. See RTD Fares website for more info.
