Missed our April training? Check out [this article](#) from AARP to learn how to avoid scams in 2022.

The air is warming up, the sun is shining, and you want to get out and do some exploring (us too). There's an endless list of things to do in Denver, but you should start with [this list](#) to get some ideas

If you've ever been on an electric scooter, you know how fun and efficient they are. If you haven't, you've likely at least seen them around town. Read [this article](#) for a refresher on the rules of the road before heading out

A proposed Colorado bill could mean free transit for the summer to help improve air quality. Read more [here](#)
