Fare Assistance

RTD, DRMAC and Denver Human Services (DHS) invite Denver Metro residents to visit Colorado PEAK to apply for LiVE: RTD’s income-based fare discount program. LiVE provides a 50% fare discount for RTD’s fixed route bus/rail services to individuals and families (ages 19+) with limited incomes living in Colorado.

For example, a standard RTD fare valued at $2.75 would be discounted to $1.35. For more information visit Colorado Peak or RTD LiVE or call DHS at 720-944-4347.

RTD also offers other discounts for older adults, youth, and people with disabilities. Older adults (age 65+), people with disabilities, and Medicare recipients receive a 50% fare discount. Youth 19 and under ride at no cost through August 31, 2024. Children aged 5 and younger always ride free with a paying adult. See RTD Fares website for more info.
